Dear Jarvis,

How are you? This letter is in regards to your advertisement for the full-time computer programmer position at UniTech International Unlimited Incorporated. There are several reasons I am qualified for this position and I encourage you to look at my full qualifications in the attached resume.

First, I am well versed in C, C++, C#, Java, Python, PHP, HTML, CSS, Javascript, Ruby, and I have a particular specialization in web frameworks such as Spring and Django. I have been programming for fifteen years as a hobbyist and have a bachelor's degree in computer science from Bemidji State University.

I encourage you to look at the full detail of my qualifications in my resume. Thank you for your time.

Warm Regards,

Eric Kuha, MA
